The **NEW** Prescribed Waste Regulation (Environment Protection (Industrial Waste Resource) Regulation 2009) will be fully in force from 1 July 2009. This Regulation will provide a framework on how hazardous waste must be managed in Victoria. The Regulation details the obligations of waste generators, transporters, treaters and recyclers, and will set out the **NEW** process and method for hazardous waste disposal.

This Briefing will provide a detailed analysis of the **NEW** Regulation and the impacts on these sectors.

The Briefing will provide participants with:

- Details of the changes to the Regulation
- An analysis of the Regulation from a legal perspective
- The impacts of these changes from a Waste generator, industry and treater perspective
- Open panel discussion with all presenters.

The Briefing will provide a Networking Morning Tea and a comprehensive set of notes.
